Nature of Survey

FIRST ENTRY

~~When due~~

This is the first vessel of the "Y1" type design and is generally a sister to the "EMPIRE FROST" etc. constructed by the same Builders to the "Y" type design except that a forecastle has not been fitted and other small amendments made.

The scantlings are suitable for a draft of 18" in excess of that corresponding to the freeboard which ~~would~~ could be assigned if a tonnage opening were fitted. The tank top plating has been increased in thickness under the hatchways in lieu of ceiling.
