QUESTION

ANSWER

th reference to my letter of  
e 3rd December, I shall be glad  
learn what arrangements are  
oposed to be made for the  
ecial Survey to be carried out.

Date:— 25th July, 1963.

We have to-day been informed by  
the Owners that they do not propose  
to carry out this survey for the  
time being, and that it is their  
intention to withdraw the vessel  
from service at the end of September  
next.

Perhaps, therefore, you will be good  
enough to arrange for a suitable  
notation to be inserted in the  
Supplement to the Register Book,
