Dear Sirs,

We enclose herewith, for your consideration and approval, plans which have been prepared by Messrs. Doig, for constructing a double bottom ballast tank in our m.v. "Rose Julie M".

To provide additional stiffening, we propose that these plans are amended to show solid floors on frames 50. 53. 56. 59 and thence on each frame to the forward end of the tank. We also propose to have the entire tank-top sheathed with wood.

Yours faithfully,  
FOR:- METCALF MOTOR COASTERS, LTD.,
