Classn. (H)

Dear Sirs,

M.S. "LOUIS LANTZ"

I acknowledge your memorandum of the 12th August, the contents of which have been noted.

The Owners' proposal to hold a General Examination with a view to postponement of the Special Survey in January/February, 1961 is in order, as also is their request to postpone the Starboard Screwshaft and Donkey Boiler Surveys until that time.

The Owners should also be informed that the steering engine cylinder should be specially examined at that time (Metalock repairs).

Yours faithfully,

Deputy Clerk to the  
Classification Committee.

The Surveyors,  
ROTTERDAM.
