Dear Sir,

Transversely Framed Tanker "SKOTAAS".

We beg to acknowledge the receipt of your cable of the
 st instant regarding the above vessel, as follows viz.:-

"SKOTAAS REURCAB TODAYS DATE FURNISH INFORMATION REGARDING
 SUBSEQUENT VOYAGES DURING PERIOD OF POSTPONEMENT DESIRED."

We immediately contacted the owner, and beg to quote his
 ply, as follows, viz.:-

"Thank you for you letter of the 22nd instant. As you will
 observe from my letters of the 12th and 15th instant, it is
 difficult to state anything definite about the future voy-
 ages, as the time charterers, The Anglo-Saxon Petroleum Co.
 Ltd, London arrange these.

Previous experience would, however, indicate that the vessel
 will be running in Eastern Waters for some time on.
 After discharge in Japan towards the end of February, I may
 presume that the M/S "SKOTAAS" will be diverted to the Singa-
 pore-Sumatra-Borneo run.

In accordance with a clauce in the charter party, the "SKOT-
 AAS" will towards autumn this year again be diverted to a
 North European port for drydocking and repairs, and I assume
 that Lloyd's will agree to the stiffening being postponed
 accordingly."

Yours faithfully,

The Surveyors,

Per. *Kide*
