Dear Sirs,

RJS

I duly received your memorandum of the 19th instant regarding the transversely framed tanker "SKOTAAS" and shall be glad if you will let me know the precise service in which it is intended to trade this ship during the winter so that the Owners' proposal to defer the strengthening mentioned in my letter of the 26th September, until she returns to Europe for drydocking, may receive consideration.

Yours faithfully,

Clerk to the
Classification Committee

The Surveyors,
OSLO.
