r Sir,

Motorship "SKOTAAS"

Further to my letter of the 26th ultimo I have acquaint you the Committee have now had before them report of the Machinery Survey which was carried out Amsterdam last month in addition to the Special mination of the hull, from which it is noted temporary airs were effected to the auxiliary condenser outboard er cover which was found to be corroded.

It is recommended that this cover should be renewed ore the end of September next, and the Committee have tinued the vessel's class subject to this matter receiving ention by that time.

A notation of DBS 9,52 has, in the meantime, been igned in respect of the Donkey Boiler Survey which was o held on the above occasion.

Yours faithfully,

c.c. Osl.
