Dear Sir,

Ans. "SKOTAAS".

The Surveyor concerned with repairs on this ship, which was lying in the upper reaches of the Manchester Ship Canal, had to make two separate visits on Sunday the 30th September, each visit of some 5 hours duration, including travelling time, and the second visit finishing about 10.30 p.m.

In the circumstances it is desired to know what special fee should be charged.

Yours faithfully,

The Secretary,
LIVERPOOL.
