# Lloyd's Register of Shipping,

71, Fenchurch Street, E.C. 3.

27th April, 1931.

Dear Sirs,

With reference to your First Entry report No.8259 in respect of the machinery of the M.V."SKOTAAS", I have to acquaint you that, in accordance with the opinion expressed in my letter of the 3rd ultimo, 10% of the fees are being credited to Dundee.

I shall therefore be glad if you will credit that port with Krs.205.114 and advise the Surveyors on A/c 2 when the fees are paid.

At the same time I have to add that your account has been credited with £30:18:0, being 5% of the fees charged for the special survey of the hull during construction, which amount was paid on the 24th instant.

I am, Dear Sirs,

Yours faithfully,

The Surveyors,  
GOTHENBURG.
