

5th February, 1959.

ABO

100, 15 - As recommended.

112 "LEDSUND" As recommended, except that a notation of MBS 12.58 will be assigned on completion of the survey.

It is concluded that the 15 fathom length of chain cable now verified refers to the ~~special~~ item and that the total length on board is now in accordance with Rule requirements, but your confirmation of this point is desired. Please furnish a report 8 (Eq.) in respect of the length of chain cable verified at this time.

The proposal to postpone the completion of the Special Survey until December, 1959, has been approved, and I shall be glad if you will inform the Owners accordingly.
