

25 JUL 1921

S.S. "HESPERIA" ex "Patria".  
@-----@

Rule Dimensions: 384 x 52.5 x 32.75 to Shelter Deck.  
Scantling Nos... 77.25 and 29664.  
Length.... 11.7 Depths to Shelter Deck.

-----  
This vessel, built in 1919, by Messrs. Flensborg A.G.,  
to class with the Germanischer Lloyd, has been handed over by  
the German Government. She has now been acquired by Messrs.  
R.P. Houston & Co., who desire to class the vessel with this  
Society.

The plans of the vessel were examined in Germany last  
year by the Society's special representatives, who reported  
that the scantlings and arrangements were such as would entitle  
the vessel to be classed 100A- Shelter Deck, With Freeboard.

The plans have again been examined, and this opinion  
is concurred in, and it is accordingly submitted that provided  
the scantlings be found to be in accordance with those shown on  
the plans, and the arrangements otherwise be found to be in  
accordance with the Society's Rules, the vessel will be eligible  
to be classed 100A- "Shelter Deck" subject to the freeboards to  
be assigned by the Committee, the same to be marked on the  
vessel's sides, inserted in the certificate of classification,  
and recorded in the Register Book.

(For equipment see separate endorsement).
