31st January, 1956.

Dear Sirs,

Classn.(H)

With reference to my letter of the 10th instant regarding the tug "LEMBU", I have to inform you that I have received a letter from the Society's Surveyors at Singapore enclosing a copy of one from the Shell Co. of Singapore Ltd., in which it is stated the vessel is at present laid up with boilers and machinery shut down and that she is up for sale.

The case received the consideration of the Committee today and in the circumstances they have deferred action in this case on the understanding that all outstanding surveys are carried out before the vessel is recommissioned.

It is concluded that the Special Survey, due at the end of next month, as well as the Boiler Survey, will receive the necessary attention.

Yours faithfully,

Clerk to the
Classification Committee.
