Dear Sirs,

With reference to your letter of September 19, regarding the S.M. "SADAO" it is observed that the outstanding machinery items were carried out on September 15, 1949 at Penang in order to complete the special survey. These items should be reported on the appropriate form (Report No.9) and sent direct to the Secretary, Lloyd's Register of Shipping, 71 Fenchurch Street, London E.C.3 together with a copy of the annual load line report form, the original of which has so far not been received at this office.

Please give this your early attention in order that the special survey may be recorded and new load line certificates issued.

Yours faithfully,

(Signed) *W. H. Carslaw.*
