

28th November, 1958.

SOUTHAMPTON

25162 - As recommended.

25147 "WAVE KING" - As recommended except that it is concluded that in view of the satisfactory examination of the stern frame, the condition of class in regard to this item might now be deleted, but confirmation on this point is desired.

25151 "REVENTAZON" - As recommended. I shall be glad if you will state the positions of Nos. 9 and 10 fresh water tanks.
