# Lloyd's Register of Shipping.

25 NOV 1950

Port FALMOUTH

5th, October, 1950.

This is to Certify that

A.M. JENKINS

the undersigned Surveyor to this Society did at the request of the London Office of Lloyd's Register of Shipping, witness the preparation and pouring of a Thermit Weld made on the sole piece of the stern frame of the M.V. 'F.J. WOLFE' whilst vessel was in drydock at Falmouth on the 1st, October, 1950 and that the two tensile test pieces and two bend test pieces marked for the purpose of identification as under were cut from the metal poured for the Thermit weld.

*Alex M Jenkins*

Surveyor to Lloyd's Register of Shipping.

This Certificate is issued upon the terms of the Rules and Regulations of the Society, which provide that:—

“While the Committees of the Society use their best endeavours to ensure that the functions of the Society are properly executed, it is to be understood that neither the Society nor any Member of any of its Committees is under any circumstances to be held responsible for any inaccuracy in any report or certificate issued by the Society or its Surveyors, or in any entry in the Register Book or other publication of the Society, or for any error of judgment, default or negligence of any of its Committees or any Member thereof, or the Surveyors, or other Officers or Agents of the Society.”
