QUESTION

ANSWER

With reference to the Special Survey, which becomes due at the end of July, I shall be glad to learn what arrangements are proposed to be made for this inspection to be carried out.

I take this opportunity to point out that the Donkey Boiler Survey will also become due at the end of July.

Date:-- June 7, 1962

The Owners have now requested an extension for the Special Survey for about six months, until January, 1963, owing to two other ships of the Company being out of service at the present time.

The Donkey Boiler Survey will be carried out by July, 1962.
