Dear Sir, "GUAM PIONEER"

I acknowledge receipt of copy of your letter of the 1st inst. addressed to the Secretary, New York in connection with the equipment of the above named steamer and in reply wish to advise that there were two bower anchors on board the vessel when examined at this port in November - December 1959.

No equipment was supplied at this time and I much regret that the report indicated 3 anchors as I realize in reviewing the case that the stream anchor should not be included.

I am, Dear Sir,

Yours faithfully,

*E. Marlborough*
