

16th August, 1961.

IMSBY.

8834 - As recommended.

8827 "MIMER" - As recommended and subject as previously recorded.

"NORTHERN DAWN" Having regard to previous correspondence in connection with the Screwshaft Survey which became due in June, shall be glad to learn why this inspection was not carried out when the ship was examined in drydock as reported in your Rpt. 28808.
