Enclosure.

18th June, 1962.

Dear Sirs,

Steamer "WINWAR".

The contents of your report No.16947 have now received the consideration of the Committee, and the various notations recommended by you have been assigned, except that it has been considered desirable to amend the class to "100A1 Oil Tanker - when no dry cargo is carried", as thereby the vessel will not be prevented from carrying dry cargoes should the Owners ever so desire.

I enclose a copy of a letter which has been addressed to the Singapore Surveyors on the subject today.

Yours faithfully,

Clerk to the
Classification Committee.

The Surveyors,
HONG KONG.
