Messrs. Lloyds Register of Shipping,
71 Fenchurch Street,
LONDON E/C/3

Sirs,

m.v. "ASHMORE"
Messrs. Sir W. G. Armstrong Whitworth's No. 1069 ship

As you will be aware this ship has been bought by Shipowner
S. Salve Kallevig, Arendal, Norway, on whose behalf we are acting.

From the time of completion she has been laid up at Messrs.
strong's yard, Low Walker, and never been in commission. The
achinery has been well kept up and these last days been inspected
one of your Newcastle surveyors in conjunction with ourselves and
nd in condition equal to new.

The hull is also in perfect condition, apart from painting
the sake of appearance.

The Owner is naturally very anxious to get the ship registered
new from the date of trial trip and seeing that the conditions of
land machinery, auxiliaries etc. are in every way equal to new,
trust that your Society will agree to date her from the 1st January
4 which is of the greatest importance to the Owner to enable him
keep her in your Society. Please do your very utmost in this
pect and thanking you in anticipation, we remain,

Yours faithfully,

per Arnesen, Christensen & Smith, Ltd.
