Dear Mr. Scott,

I am at present negotiating re purchase of the  
tanker "Ashmore", built by Messrs. Armstrong 1932, and  
understand this ship has been laid up since she was  
completed.

Could it be arranged that the class certificates,  
etc. are reckoned from the date the ship actually goes  
into service? I shall be glad if you will kindly drop  
me a short wire anent this.

With kind regards,

Yours sincerely,
