Dear Sir,

I duly received your letter of the 21st instant respecting the motorship "ASHMORE", which vessel you are informed has been offered to Messrs. Vestlandske Petroleums-Compagni, of your port, for purchase.

I have been in communication with the Society's Newcastle Surveyors regarding the case, and they now confirm that the vessel has been laid up in the Tyne since the date of her Trial Trip.

The case has received the consideration of the Committee, and I have to request that you will be good enough to inform the prospective purchasers that no alteration could be made in the date of build, but the dates of the Periodical Special Surveys Nos. 1, 2 & 3 could be dated from the time of the general examination of the vessel in dry dock in accordance with Paragraph 1, Page 13, of the Society's Rules.

I shall be glad if you will inform me of any further developments in this case.

I am, Dear Sir,  
Yours faithfully,

S. A. Eide jr., Esq.,

BERGEN.

Clerk to the  
Classification Committee.
