Secretary,

LONDON.

Dear Sir,

With reference to the query in the Classing
letter of the 19th instant regarding the Motor Vessel "ASHMORE",
I have to state the number and diameter of the suction in
the machinery space are as follows:-

- Two at 3" diameter.
- One at 2½" diameter.
- One at 4" diameter and
- Two at 4½" diameter independent suction.

A clerical error in my report is regretted.

I am, Dear Sir,

Yours faithfully,

L. P. Prescott
