

ARD REPORT on the SS. Alexandra

It is submitted the freeboards given on the accompanying form <sup>corresponding to the approved summer moulded draught of 17'-2½"</sup> being those required ~~by the Tables~~ merit approval, the same to be marked on the vessel's sides, inserted in the certificate of classification, and recorded in the Register Book, subject to the cargo doors in the sides of the forecastle and long poop being efficiently constructed and watertight. The Surveyor should be requested to forward a sketch of these for record purposes. He should also report the size of the hatchway.

Cable. 17/2/31.

Return sketch of opening  
in bulkheads of erection No 17/2/31.
