Enclosure.

9th December, 1929.

Dear Sirs,

I return herewith your freeboard report No. 40412 in respect of the s.s. "MARKLAND", Messrs. Earles' Yard No. 677, and I have to request that you will indicate on the back the dimensions of the trunk and other particulars as indicated in pencil, as it would appear from the approved plans that the fore end of the trunk is tapered and that the trunk does not extend amidships over the machinery space.

At the same time I have to call your attention to the Builders' letter of the 11th June and my reply of the 14th June last and to request that you will state whether they now desire a limiting freeboard to be marked on the vessel's sides to correspond to the draught of 22 feet mentioned by them.

The plans are being retained pending your reply,

I am, Dear Sirs,

Yours faithfully,

Secretary.

The Surveyors,

HULL
