10th July, 1959.

Dear Sir,

in (S)

Motor Tanker "TEXAS RANGER"

With reference to my cablegram of the 29th June, I am obliged to you for your reply of the 8th instant stating that you have been unable to get in touch with the Owners of the ship.

The position is that, according to a report in Lloyd's List, extensive damage has occurred to the main engines and as the Yokohama Surveyors have stated the repairs are not to be carried out under their inspection, the Committee have today decided to expunge the ship's class owing to reported defects.

Should you by now have received any further information as to the Owners of this ship it will be appreciated if you will advise them of this decision.

Yours faithfully,

Clerk to the
Classification Committee.

The Secretary,
NEW YORK.
