Enclosures

17th April, 1959.

Dear Sirs,

Motorship "TEXAS RANGER"  
ex "TEXAS SUN"

ssn.(S)

W/SJL

I acknowledge receipt of your letter of the 2nd April and note that the new Owners are reluctant to take any further drill tests on this ship.

The thicknesses of the shell and deck plating, as reported in Philadelphia report No.10481, are such as could be approved as being equivalent to the Rule requirements for tankers, and the Committee have agreed to assign a notation of SS Phl.4.58 (Dr) in this case, and I shall be glad if you will inform the Owners accordingly.

I enclose for onward transmission to the Owners the official Classification Certificates in respect of the Special Survey of the hull and the Continuous Survey of the machinery.

Yours faithfully,

Assistant Clerk to the  
Classification Committee.

The Secretary,  
NEW YORK.
