IBEX HOUSE,

MINORIES,

LONDON, E.C.3.

24th June, 1966.

The Secretary,  
Lloyd's Register of Shipping,  
71 Fenchurch Street,  
London, E.C.3.

Dear Sir,

m.v. "ALTIS"

With reference to your letter of the 21st instant relating to the following surveys of the above vessel:-

1. Steam Pipe Survey
2. Screwshaft Survey
3. Auxiliary Boiler Survey

the vessel has been issued with instructions to prepare the Auxiliary Boiler for survey at the first convenient port and should shortly be attended to.

However, it would assist the Owners greatly, regarding the vessel's immediate commitments, if the Committee would kindly consider granting an extension of six months to the survey due date of the Screwshaft and Steam Pipe surveys.

We hope this request will have the Committee's approval and should be grateful if you would kindly inform us of their findings at your convenience.

Yours faithfully,
