Dear Sir,

m.s. "ALTIS"

We are in receipt of your letter of the 18th April enquiring about the arrangements which the Owners propose to make regarding the overdue Steampipe Survey.

We regret to advise that we have not heard anything in this connection either from the local Managing Agent or from the London Office of the Owners the address of whom was given in our letter of the 28th March.

In fact we do not expect any initiative to come forward from the local Agent in this matter and we wonder whether you have been able to make any progress with the London Office of the Owners.

We confirm that if and when we receive any news in the matter we shall not fail to pass the information to you immediately.

Yours faithfully,
ORPHANIDES & MURAT.

Agents to Lloyd's Register.
