QUESTION

ANSWER

With reference to my letter of the 9th April, I shall be glad to learn if you are yet in a position to let me know what arrangements are proposed to be made for the Special Survey to be held this month.

The Main Boiler Survey becomes due at the end of this month, and it is concluded that this inspection will be dealt with at the same time as the Special Survey.

Date:— 15th May, 1964.

The Owners state that they are making every endeavour to carry out both these surveys this month.
