Dear Sirs,

Steam Tanker "ALLURITY"

I have your letter of the 19th instant and in reply am pleased to say that the Committee have today agreed in principle to the Owners' request for permission to postpone the Special Survey until the end of May.

This decision is reached on the Owners' assurance that the ship will continue to trade only in "River and Estuarial" limits and provided the ship is generally examined at a renewal Load Line survey and found or placed in a satisfactory condition for the period contemplated.

Yours faithfully,

Clerk to the  
Classification Committee.

LONDON
