QUESTION

With reference to my cable dated the 11th January, I shall be glad to learn the position regarding the General Examination and Auxiliary Boiler Survey.

It is concluded that the machinery condition of class which expires at the end of this month will be dealt with in conjunction with the General Examination.

An early reply will be appreciated.

ANSWER

Date:— 17.3.66.

This ship is at present on a voyage from Rio de Janeiro to Rio Grande and is the subject of a letter I am writing with regards to this & two other ships of the same company. We will have definite news of the owner's intentions in 1 or 2 weeks.
