28th February, 194¹

Mr. E.M. Milner Esq.,
LLOYD'S REGISTER OF SHIPPING,
HIGH CLOSE,
WOKINGHAM, BERKS.

Dear Milner,

With reference to your Memorandum of the 12th instant regarding the auxiliary engine for the M/V. "NORTHGATE", Mr. Scott has ascertained that this engine was taken from stock and despatched to the vessel. As, however, the engine was built under his survey he has been able to prepare a report, and this is being forwarded to Wokingham today in the ordinary way (Lon. Rpt No.109424).

Yours sincerely,

Norman Angus
