commenced many months before the actual date of issue, but, having regard to the international situation, it is felt that any Book published at the usual time in 1940 would necessarily be very incomplete.

In these circumstances it has with regret been decided not to proceed with the publication of the REGISTER OF YACHTS for 1940, but I need hardly say that it is hoped to resume the annual issue of the work as soon as world conditions are more normal.

In the meantime it is essential that the Society's records should be kept up to date as far as possible, and consequently it will be greatly appreciated if you will be good enough to keep this Office posted with any alterations to your yacht, or to the ownership, which may take place.

I am, Dear Sir,

Yours faithfully,
