

"SHUN FUNG" ex "TUNG SONG"

- H.Kg. F.E.Rpt.No.12970.

IT IS SUBMITTED that before this case is placed before the Committee, the service limits now recommended by the Hong Kong Surveyors i.e. "For Service between Saigon and Swatow" be submitted to the Plans Department for their consideration, also for confirmation that the rudder, sternframe and bulkheads are acceptable. (See First Entry Report).

The scantlings are considered suitable for the proposed service and the reported particulars of Rudder, Sternframe and Bulkheads are acceptable.
