LLOYD'S REGISTER OF SHIPPING

UNITED WITH THE BRITISH CORPORATION REGISTER

Port of Bergen,

..... 21st March, 1956.

This is to Certify that

..... K. Olsen

the undersigned Surveyor to this Society did at the request of Messrs. Brødrene Anda, Stavanger, examine the steel screw steamer "HANS" 998 Tons Gross, previously of Hamburg, and now sold to Stavanger for breaking up purposes, whilst in drydock and lying afloat at this port.

Temporary repairs having now been completed to my satisfaction she is now, in my opinion, in a perfectly safe condition to be towed as a hulk to Stavanger and a Report to this effect is being forwarded to the Committee of Lloyd's Register of Shipping, London.

Knut Olsen

K. Olsen.
Surveyor to Lloyd's Register.

... certificate is issued upon the terms of the Rules and Regulations of the Society, which provide that:—
... while the Committees of the Society use their best endeavours to ensure that the functions of the Society are properly
... l, it is to be understood that neither the Society nor any Member of any of its Committees is under any circumstances
... r to be held responsible for any inaccuracy in any report or certificate issued by the Society or its Surveyors, or in any
... the Register Book or other publication of the Society, or for any error of judgment, default or negligence of any of
... nittees or any Member thereof, or the Surveyors, or other Officers or Agents of the Society."
