We beg to refer to telephone calls and telegrams exchanged in connection with changing of the character of classification on the above vessel and thank you for your letter of April 16th. May we express our appreciation of your kindness in handling this matter in such a prompt way, so that your Gothenburg-Office already on April 18th could furnish us with a preliminary new certificate. This enabled us to deliver the ship without any delay, and we therefore once again wish to give you our best thanks.

Yours faithfully,

REDERIAKTIEBOLAGET/CLIPPER
