

Translation of a letter received from
Messrs. "Maritima Madrileña, S.A.".

18th April, 1958.

Dear Sirs,

S.S. "TAJUÑA"

In reply to your letter of the 17th instant we have to advise you that as the efforts to salve the ship by a salvage Firm have not been successful, on the 20th February notice of abandonment was given to the Insurers and accepted.

In consequence the above vessel continues stranded on the beach of La Calera and we believe is now being sold by the Insurers for breaking up.

Yours, etc.,
