FREEBOARD REPORT on the John Crown & Sons Yard N° 230  
 TO 3<sup>rd</sup> Floor: - "FELIPES"

The Sunderland Surveyors have now submitted final C/I (comp.)  
 for the above vessel. Due to a modification of the actual  
 sheer heights ~~the~~ <sup>summer moulded tanker</sup> a geometric draught of 16.59'  
 might be assigned.

Please advise if the scantlings are suitable for  
 this assignment.
