Dear Sir,

Steamer " WAVE CONQUEROR "

Further to my letter of the 10th and in reply to yours of the 17th, I have the pleasure to advise that our account for Fees and Expenses incurred for the DBS has been settled by Messrs Société des Pétroles MIROLINE, in Paris.

I understand that there is still a certain amount of cargo on board which is being discharged into barges alongside and finally the vessel will be towed to Italy by a Portuguese towing company.

At the request of Mr Pounds - who represents his father (who it is stated is the Owner) a final examination of the vessel will be made before leaving.

In order to comply with Mr Pounds' request a form of Certificate has been made out on Rpt Form 10 a copy being attached.

Upon completing my final examination it is proposed to charge a fee of F.30 000 (300 NF) for this service and I should be glad to learn if this meets with your approval.

Yours faithfully.
