8th December, 1958.

Dear Sir,

S.S. "WAVE CONQUEROR"

In reply to enquiry the Admiralty stated on the 4th December that this ship had been sold to your goodself.

The Survey position is as follows :-

- Special Survey due 1.61.
- Main Boiler Survey due 2.58.
- Donkey Boiler Survey due 2.58.
- Screwshaft Survey due 11.58.
- Steampipe Survey due 2.63.
- Last seen in dry dock 1.57./

The class has been continued subject to the main engine gear wheel and pinion being examined or renewed before the end of March 1958.

Action has been deferred in the past on account of the vessel being laid up.

In the circumstances I shall be glad if you will let me know, for the information of the Committee, whether this vessel is still to be laid up and, if not, what arrangements are proposed to be made for the outstanding Surveys and condition of class to receive attention.

An early reply would be appreciated.

Yours faithfully,
