(j) S.R.M.C.due (k) R.S.due

Postponements already agreed:-

A proposal to carry out a General Examination in drydock at Yokohama before the end of October with a view to the postponement of the Special Survey approved 31.8.62. Further postponement of the Special Survey until the end of November approved 28.9.62.

New Proposal:-

To defer the General Examination until January, 1963 (7 months after due date of SS) when the ship will be drydocked with a view to the postponement of the Special Survey until June, 1963. It is stated that the main circulating pump lower casing will be dealt with in January.

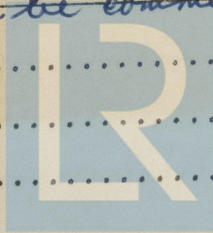

Technical Recommendation:-

Submitted the General Examination be commenced afloat now and completed by the examination of the bottom in drydock

*in January next J. 29.10.62
early limit should be dealt with at an early date
submitted R.S. should be commenced (last agreed 12.5.7)
J. 30/10/62*
