1st December, 1961.

Dear Sirs,

s.s. "ORIENTAL"

I acknowledge your letter of the 18th and in confirmation of my cablegram of the 28th November I have to point out that the due date of the Engine Survey coincides with that of the Special Survey.

In these circumstances should the Owners desire postponement of the Special and Engine Surveys it will be necessary for a General Examination to be held in accordance with Circular 1959 about the due date.

It is concluded that the general service pump water end is now being renewed and I take this opportunity to remind you that the Main Boiler Survey became due at the end of September last.

Yours faithfully,

Deputy Clerk to the
Classification Committee.

The Surveyors,
HONG KONG.
