

Steamer "MARINELLA"

Mr. Pittas of Messrs. ^{Lusi} ~~Lucy~~ Limited has telephoned that the proposal to tow this ship to Italy has fallen through.

He would now be glad to learn what we should require to issue a Certificate for the ship to proceed to Italy under her own steam. He concludes that such a Certificate would cover maintenance of class seeing that a Special Survey is not, at present, due.

RAC

19th August, 1959.

For voyage under vessels' own steam, MBS to be held and a short satisfactory sea trial to be held

Proceed the hull side, the Surveys at Green
8096 may issue interim cert as a
result of Survey already held 20/19/8/59.
