### DECLARATION

Motor Tanker "BONITA", Messrs. Bremer Vulkan's Yard No.816

This ship has been built under Special Survey for the class "100 A1 Carrying Petroleum in Bulk", in conformity with the Society's Rules and Regulations and Secretary's letters. The scantlings and arrangements, including all hatchways, companionways and other significant openings in the strength deck, as fitted, or as shown and amended on the approved plans of midship section and profile and decks forwarded with the O11 reports, or as subsequently approved. The Special Survey has been completed to our satisfaction.

For the Surveyors.
