Messrs. Wm. Gray & Co. Ltd.,

WEST HARTLEPOOL.

Dear Sirs,

G. T. S. "8 9 7".

In reply to your letter Tuesday, October 21, which deals with mine July 24 on the subject of enhanced thickness of ballast tank top plating and enhanced riveting where we carry oil fuel. Your proposition is approved in conjunction with Lloyd's recommendation.....

We have already arranged with the Hall Line for special instruction to be given to the Captains regarding damage when in active service.

I am,

Yours faithfully,

(Sgd) Alexander Dalrymple.
Supt. Engineer.
