Enclosure.

71, Fenchurch Street London, E.C.3

15th July, 1952.

Dear Sir,

REFRIGERATING INSTALLATION. the telegrams which have passed between us recently speaking the refrigerating machines Nos. 15008/9 made by Messrs. J. & W. Hall Ltd., and intended for the S.S. "VERULIAN", we now enclose for your information our Report "PATRICIAN" on this machinery, and shall be glad if you will ----- this Office with an appropriate amount of the fee in this case in due course.

It is considered that the refrigerating installation of the above ship may now be submitted for classification without any restriction regarding the drainage arrangements which will be followed up by Freeboard Department.

with, perhaps you will be good enough to advise us regarding the arrangements made for the installation of the machinery in the "EGYPTIAN" and "SHIAN".

Yours faithfully,

15th July, 1952.
