

REFRIGERATING INSTALLATION

M.V. "TELEMACHUS".
Glasgow letter dated 16th May, 1951.

IT IS SUBMITTED the Glasgow Office be advised that we are still awaiting information regarding the cubic capacity of the refrigerated spaces of the above, and other vessels, of Alfred Holt's fleet, but as the capacity will be between 40,000 and 80,000 cu. ft. the fee should be £32. 0s. 0d. which is twice the scale fee for Special Surveys in this range.
