Dear Sirs,

Steamer "LUNGO"

I duly received your letter of the 1st instant and, in view of the fact that the class of this ship is qualified with the notation "Surveys overdue 9,58" and there was information in this office to the effect that the ship had been laid up for some considerable time, I referred the matter to the Surveyors at Stockholm.

I now enclose a copy of a letter dated the 5th instant received from Stockholm confirming the cablegrams exchanged with them which is self-explanatory.

Yours faithfully,

Deputy Clerk to the
Classification Committee.

The Surveyors,
COPENHAGEN.
