Dear Sir,

23rd January

S.S. "ASIA ENTERPRISES"

I am forwarding a letter of the Managing Director of Sea Transport (Philippines) as agents to the Vessel with respect to the intentions of the Owners wherein they are requesting if they be allowed to complete all outstanding recommendations during the period indicated.

It is noted that the Vessel was submitted for repairs at this port without completing all the requirements of the Rotterdam Surveyors in their Rpt. No. 64236 from 14th December 1966 to the 10th of January 1967. The list of repairs are submitted herewith.

It is also noted that the undersigned conducted the survey on the above Vessel based on the recommendations of the Rotterdam Surveyors before the CSH system is adopted for the ship items now repaired on a temporary way are permanently dealt with & the following parts be cleaned, re-examined & dealt with as necessary which is reproduced herewith together with whatever repairs were done here at this port (enclosure). This copy forwarded by the Hong Kong Surveyors to the Owners.

It is regretted that the undersigned did not have copies of Rpt. 8, 8A & 8 comp. for guidance.

Yours faithfully,

LR
